Preparation & Tips

- **Run and cut out one copy of the rectangle for each member.**
- **Run a copy of the *“Directions for Folding”* for each member.**
- **Make a legal size sheet sample of the rectangle to use as an example when demonstrating before the entire group – so all can see the steps being modeled.**
- **Have members work in pairs to help each other.**
- **Enjoy the oooo’s and aaaaa’s when finished!**
- **Don’t tell them what it will make until the very end!**
