Grow Membership, Support Altruistic Programs, and Increase Fraternity Education in our Chapters

President's Report

Dear Sisters,

Happy New Year Sisters! My biennium is coming quickly to a close and there is still so much to do along with locating sisters to step up to the executive board for the next biennium as well as inducting new sisters into your chapters. I have enjoyed seeing the events and gatherings you have held in these last couple of months.

Here is Gamma's Holiday meeting.

Some of you are starting your second semester and I sincerely hope it runs smoothly with limited snowdays to extend your school calendars. Included again in this newsletter is the form for the state convention. My executive board and I all hope you will consider joining us in April. Carol Johnson our Regional Vice President for Membership (2023-2026) will be joining us with great ideas to share during our learning sessions.

President Elect Carrie Mettendorf is looking for YOU!

The Executive Board Leadership team needs you! Here are the areas that need filling:

- President-Elect
- Treasurer
- VP for Membership
- Corresponding Secretary
- President of President's Council
- Historian
- Chaplain

The meetings of the board occur 5 times in the two years in Jefferson City and the 6th meeting is at the Convention. You are paid .30/mile to attend and the hours traveling and participating at the meeting can be added to your chapter's altruistic tally. As a member of the board you will attend the convention, which will help your chapter earn a pearl.
